

Leo:

"I am Leo, a fire sign. I create the fifth gate of awareness, through which I teach the value of radiance. I use the key of self-love to turn up my light and the brighter I radiate the more I inspire others. I am a natural leader, performer, star, director, and celebrity. I am self-confident, dramatic, regal, openhearted, generous, creative, expansive, powerful, and outgoing. I love to be center-stage, a leading player, celebrating and

sharing my zest for life."

The sun is in Leo, generally from July 23 - August 22.

Positional Voice: May sound too bossy to other archetypes. "I know how this should be done...let me tell you, show you or direct you to do it." It can create a sideways leadership dynamic. It can take group center stage too often for balance.

Prosperity: Uses money to enhance its visibility. (Think of a sports or movie star - need publicity, clothes to be seen in, limo, etc.)

Business: Those with pure Leo make wonderful leaders, movie stars, actors, directors, public speakers, facilitators, presenters, trainers, anything where being center stage is an asset.

New Moon for Business: Take your presentation style to the next level. Be more visible in your business or career. Bring your more radiance and visibility to your overall business. Step more fully into your radiant leadership abilities. Develop more courage to follow your heart around your business or career. Enliven your stage presence or public persona. Improve your business or career publicity.
