A large, bright bonfire of logs and branches is the central focus, burning intensely in a grassy field at dusk. Two people are visible in the background: one on the left, wearing a dark robe and a white head covering, and another on the right, wearing a dark coat and a patterned dress. The sky is dark with some light clouds. The image is decorated with several large, realistic water droplets of various sizes, some in the top left and others in the bottom right, giving it a moody, atmospheric feel.
