Dance To Balance Your Yin Feminine

- The feminine receptive yin energy opens to receive the seed & nurture & gestate it until the right time for its birth into the outer world of form.

Yang Feminine

- The yang feminine rides the wave of organic timing instinctively knowing when to birth the creation. It then pushes that new life from the nurturing womb space in which it grew.

Yang Feminine Energy

The yang feminine rides the wave of the organic timing instinctively knowing when to birth the creation. It then pushes forth that new life from the nurturing womb space in which it grew.

****Yang Feminine ~ Represented by the birthing womb***

Ideal Development: organic timing, moving with the energy, birthing, becoming, developing, initiating growth, urging toward completion, ecstasy

Over Development: rejecting, abandoning, aborting, premature timing, meddling, forcing

Under Development: fear of development and change, grasping for security, going past term, hesitating, missing the wave
