A large, bright bonfire of logs and branches burns in the center of a grassy field at dusk. Two people are standing in the field: one on the left, wearing a dark robe and a white head covering, and another on the right, wearing a dark coat over a patterned dress. The background shows a line of trees under a dark, cloudy sky. The image is decorated with several large, realistic water droplets of various sizes, some in the top left and others in the bottom right.
