Important for Fire

- Good Containment

- Water puts Fire out...fire gets low notice what you are feeling - especially shame, guilt, non-truth

Learning to Fine Tune Your Creation Capacity

- Voices in your head can tell you “you aren’t doing it right”
- Learning to turn as a dancer - same as learning to create in life
- Must learn to be patient with yourself as you learn to adjust your creation capacity

ACTION

- Sometimes you are the one.
- Are you waiting for others to step up and lead.
- Are you waiting for permission?

DO YOU TAKE
ACTION IN LIFE
THAT IS IN
ALIGNMENT WITH
YOUR DREAMS
AND DESIRES?

You actually have to sit down
to write if you want your
book or product in form.

Take action.
Apply Initiative.

Illumination

- What has been previously hidden in your consciousness that is now being illuminated?
- What do you need to currently see as a priestess?

Appreciate and honor Fire. Ask Fire to show you why being able to see what is hidden is important to you as a Priestess or Priest.

Ask Fire what hidden pieces you currently need to see as a Priest/ess.
