A romantic scene of a couple holding hands on a sandy beach at sunset. The sun is low on the horizon, creating a warm, golden glow that reflects on the water and sand. The couple's hands are the central focus, with their fingers interlaced. The background is a soft-focus view of the ocean and sky.

The Earth is a Living
Spiritual Being in Her
Own Right, with Her Own
mind, consciousness,
destiny and
development. The Earth,
Gaia, is a living organism
within the Universal
Living Organism. She is a
Sacred Site. She is our
Church, Temple,
Sanctuary, Home, and
Mother.

Temple of the Living Earth

Guiding Principles of Earth/Gaian-Centered Spirituality

Honor Earth/Gaia as a Sacred site and partake of her Fruit joyfully and gratefully. Honor the Life Force in ALL. Honor your body, hearth, and workplace as Temples of the Divine.

Live every moment as a Sacred Act in Alignment with Divine Source as you know and experience It.

Know Self as a unique, actualized, multi-dimensional, regenerative Being of unlimited creative and loving potential within the Cosmic Whole.

Live open-mindedly, thinking and feeling independently, for the Greatest Good. Unlearn false and outmoded teachings and conditionings. Gratefully exercise the gift of the right of free will, responsibly and honestly.

Live in Freedom by breaking through form into formless form into Spirit and Wholeness.

Know the Silence and merge with It. Honor the creative power of the Word. Avoid unnecessary, unclear verbiage and waste of the priceless Breath of Life.

Live and speak the Highest Truth, as you know it, moment-to-moment, for the Highest Good. Honor and encourage the Highest Truth of others in the darkness and the light.

Stimulate inner awareness and multi-sensory perceptions to heighten communication with ALL LIFE and enhance Cosmic consciousness. Commune with Father Sky and Mother Earth as directly and respectfully as a Loving Child communes with Loving Parents.

Commit to the Sacred Marriage through inner union of the Divine Feminine and Divine Masculine, of feeling and thought.

Live responsibly in co-creative, co-operative partnership with the Earth, Nature and One Another.

Live in Balance, Beauty, Love, Harmony and Good Humor.

Live attentively. Trust, attune and respond to the synchronistic Life Process.

Live in the natural flow of Abundance, Simplicity and All Good Things. Give and receive generously.

**LIVE LIFE FULLY AND GRATEFULLY! CELEBRATE
CREATION!**

My Ascension Journal

Dedicated to Personal and Planetary Ascension

by Nicole Christine

My Scriptures . . . Our Scriptures

Scriptures are any sacred writings. When I accept the sacredness of my life, of all life, my story becomes scripture and the telling of it becomes a sacred act. My life, my story, interweaves with the life and story of every other human being and every other aspect of Creation. And so Our Story is sacred. Our Story is Scripture.

There is no beginning, there is no end, to our story. Thus to tell it, I may pull out any page from our scripture as a starting point. I could start lifetimes ago when I was a temple scribe, but I choose instead to simply bring forth that consciousness to further the work of recording this piece. I have picked a date, a moment, not too long ago in this lifetime. Dates, times and places give us parameters for human experience. They are helpful reference points for telling our stories. They assist me in telling the story of my inner journey merging with my outer one and of my scriptures merging into our scriptures and our new reality.
