## Section 3

- Using the Creation Template
- Restoring our Relationship with Money
- Reprogramming our Money Mindset

## Clarification of Steps 1-4

- Everything that is happening right now means you are right on target!
- The first three steps keep you focused on the path forward! This is why you need to do them everyday.
- They will go faster and get easier the more you do them.
- Simply stated they are:
  - What am I supposed to be learning right now?
  - What do I want?
  - Why don't I believe I can have it?
- Forgiveness

**AND...**

**We have examined the template for how we behave with money by looking at our Inner Money Goddess and finding our Sacred Money Archetype.**

**Now it is time to restore our relationship with money, and up-level and reprogram our thoughts....**

**But first we are going to learn a new tool to begin to implement what we are learning about money....**

A Divinely inspired practical template for aligning the elements into a fertile field for financial creation.

## *So let's begin in the South with...* Money Relationship Issues

---

- Power
- Judgement
- Disappointment
- Guilt
- Shame
- Fear

# Money Relationship Issues...

---

**Power:** Where have you played the Suppressed Victim, Giving Away Power; or Claimed your Inner Financial Power...

1. Where have you felt like a financial victim or given your power away with money?
2. Where do you feel weak financially?
3. Where have you claimed your Financial Power?
4. Where do you need to Empower Your Inner Feminine Money Goddess to claim more inner financial power?

**Blame:** What do you blame money for not getting to do or be?

**Judgment:** Where are you judging others around money?

Where are you judging yourself around money?

**Disappointment:** Where are you allowing your energy to constrict in disappointment?

**Guilt:** Do you have any financial guilt?

**Shame:** Do you have any financial shame?

Are there other ways you constrict the flow of money into your life?

# FEAR

## 4 Faces of Fear

- Flee
- Fight
- Freeze
- Faint
- How this impacts your creation energy.

## **Fear: Flee, Fight, Freeze, Faint**

Where do you fight around money when you are in fear?

Where do you flee around money when you are in fear?

Where do you freeze around money when you are in fear?

Where do you faint around money when you are in fear?

*“Always speak in terms of advancement.*

*Never allow yourself to feel (contract from\*) disappointment. You may expect to have a certain thing at a certain time and not get it at that time. This will seem to be a failure. But if you hold to your faith, you will find that the failure is only apparent.*

*Go on in the certain way, and if you do not receive that thing, you will receive something so much better that you will see that the seeming failure was a prelude to great success.”*

*Wallace Wattles, The Science of Getting Rich*

*\*My note*

Now let's move  
to the Air  
Realm and look  
at our thoughts  
around  
money...

“There is a thinking stuff from which all things are made, and which, in its original state, permeates, penetrates, and fills the interspaces of the universe.

A thought in this substance produces the thing that is imaged by the thought.

A person can form things in her\* thought, and by impressing her\* thought upon the formless substance, can cause the thing she\* thinks about to be created.”

Wallace Wattles, The Science of Getting Rich

## **Air: Clear your old limiting money beliefs**

### Inner Money Conflicts Examples:

Spending with the energy of “I want this” but “I shouldn’t buy it” creates a push--pull conflict.

Punishing and beating up on yourself energetically for past money mistakes creates non-flow in your energy field.

Conflicting inner voices “it’s not or shouldn’t be about the money” and “money is important to thriving” creates self-doubt and stops the flow.

Family messages “we don’t have much money but we have a lot of love” creates a disconnect between money and love.

Old religious mind-set “spiritual teaching should be free”, or a belief there is no money in the arts, these mind-set’s limit

Conflicting inner voices “it’s not or shouldn’t be about the money” and “money is important to thriving” creates self-doubt and stops the flow.

**List at least 5 inner conflicts you have about money:**

1)

2)

3)

4)

5)

## STEP 5: Recognize and Reframe ~ Is it true?

### Do this practice right now..

- Pick a false belief that came up in your work last week or tonight. It doesn't have to be a heavy one. It can be something like: "I don't deserve to have what I want, because..." Write it in your journal.
- Then pray: ***"I humbly ask for a miracle. Please, help me to see things differently. I am willing to see differently."***
- Ask yourself, is this true? If not, what is the truth? Let the answer pour out on the page.
- Then ask, "What do I want?" And write that down.
- Then, "Why do I deserve to have it?" (or whatever pertains to your specific false belief.)

*“Thought is the impelling force which causes the creative power to act.*

*Thought is the only power which can produce tangible riches from the formless substance. The stuff from which all things are made is a substance which thinks. A thought of form in this substance produces the form.*

*Original substance moves according to its thoughts. Every form and process you see in nature is the visible expression of a thought in the original substance.*

*Wallace Wattles, The Science of Getting Rich*

## STEP 6: THINK AND BELIEVE THE NEW THOUGHT

*“Miracles restore the mind to its fullness. By atoning for lack, they establish perfect protection...Miracles are examples of right thinking, aligning your perceptions with truth as Divinely created.”—A Course in Miracles*

This is the real work. Once we have cleared the debris it is time to begin to reprogram that thought into our brain. I like to really go deep and program my subconscious for success. The golden rule about this is repetition. Obviously when you begin, you may experience resistance. But just commit, to reading the following every day for the next six weeks. In the morning when you do your work and in the evening before bed. See if you don't see some positive changes.

(Note: Substitute whatever word resonates for you with regard to Divine Source. It could be God's Wealth or Creator's Wealth or Universal Wealth or the Goddess's Wealth, Mother Earth's Wealth, Divine Source's Wealth or even LOVE. Just make sure it feels good and true for you.)

***"I am now writing into my subconscious mind the idea of Love's Wealth."***

***"I know that God-Goddess is the Source of my supply. I know that God-Goddess is the Life Principle within me and I know that I am alive, and all my needs are met in every moment of time and in every point of space. God-Goddess's wealth flows freely, joyously and ceaselessly into my experience and I give thanks for God/Goddess's riches forever circulating in my experience. God-Goddess is my instant supply, meeting all of my needs right now."***

***"I am born to succeed. I am born to create miracles. The infinite wisdom within me cannot fail. Divine law and order govern my life. Divine peace fills my soul. Divine Love saturates my mind. Infinite intelligence guides me in all ways. Divine Creator's riches flow to me freely, joyously, endlessly, and ceaselessly. I am moving forward in all ways, spiritually, financially, physically, mentally and emotionally."***

***"I know these truths are sinking into my subconscious mind and I know and believe they will grow. Divine Source is my supply. I am infinitely guided in all ways. The Goddess always opens a new door."***

***“A miracle is a correction introduced into false thinking...It acts as a catalyst, breaking up erroneous perception and reorganizing it properly.” – A Course in Miracles***
