## **Calling in Sacred Space**

*Direction: Center*

*We invite the direction of Center and Spirit to our circle. We honor both the Divine Feminine and Divine Masculine. We activate the As Above/So Below Mysteries and the As Within/So Without Mysteries. We call on the deep wisdom of the yin and yang, receptive and active forces. We ask to align the forces within toward inner balance, allowing the wisdom and rhythm of the sun and moon to guide our own lives. We call on all those connected to sacred union: Goddess and God, Magdalene and Christ, Gaia and Green Man, Isis and Osirus, Shakti and Shiva. We call forth our own inner essence and ask that our expression in the world be toward the highest good of all. May we use our power of choice wisely, and may we have compassion for all life. May we grow in our ability to activate a unified field of awareness, bringing forth our Spirit filled desires with grace and ease.*

## ***Spirit Honoring Prayer***

*Great Spirit, source of all that is,  
thank you for the blessing and gift of our lives.*

*Your essence moves through all realms  
and teaches us the interconnectedness of all life.  
From you we learn to take personal responsibility  
for the spark of Divinity that we are.*

*You train us to use the power of choice  
to co-create our lives with harmony and grace.  
Through you, we discover how to express our essence  
and to live our life's purpose.*

*You show us the importance of being both active and receptive.  
We are grateful for the wisdom of the as above/so below mysteries  
as we learn to honor all realms.*

*You show us how to enhance our inner realm  
and to become uplifting to those around us.  
We ask that you help us hold a unified field of co-creation in  
harmony and alignment through our sacred union with you.*

## ***Spirit Blessing***

*Dearest Spirit, we ask that (name or this being,  
this couple, this organization) be blessed with an abundant grace  
and trust in life, even during times of transformation and change.  
May the lives of all those who come into contact with (her/him/them)  
be uplifted by their connection to the Divine and their deep compassion  
for the sacredness of the human experience.*
